Seeweg 6, D-86444 Mühhlhausen bei Augsburg (Bavaria (S))

Tel: 08207/2200. Email: info@lech-camping.de

Situated just north of Augsburg, this beautifully run site is a pleasure to stay on. Gabi Ryssel, the owner, spends her long days working very hard to cater to every wish of her guests – from the moment you arrive and are given the key to one of the cleanest toilet blocks we have seen and plenty of tourist information, you are in very capable hands. The 40 level, grass and gravel pitches are roomy and have shade from pine trees. Electricity connections are available (10/16A). This is an immaculate site with a separate area for disabled people to park near the special facilities provided. The site has a very comprehensive camping shop (only a few basic foodstuffs as there is a supermarket over the road) and an excellent restaurant overlooking a small lake. A paddling pool (part of the lake cordoned off) is provided for children with a safe little sandy area (toys also thoughtfully supplied) along with sun beds to enjoy the view over the lake. Although this is a rural site, there is easy access by bus (a stop just over the road) to Augsburg, a beautiful German town, which has a brilliant beer festival in April (definitely a must!)

Facilities

The new toilet block (cleaned many times daily) provides British style WCs and good showers with seating area and non slip flooring. Baby room. Separate family bathroom for rent. Five star facilities for disabled visitors. Motorcaravan service point. Small shop. Restaurant. Small playground (partially fenced). Bicycle hire. WIFI. Off site: Bus service to city. Legoland 25 minute drive. Fishing 4 km. Golf 10 km. Riding 15 km.
